EDITOR'S CORNER

by Jay Cole

Mammoth's "Other Season" Is Here

Spring is moving in on Mammoth. The weather is warming up; tanned skiers are wearing shorts and T-shirts; and the lakes are beginning to thaw.

Spring skiing should be better than ever this year. At press time the mountain had a 108 inch base. But spring means more than skiing. Tennis, water skiing, sailing, backpacking, hiking, fishing, and swimming are all part of Mammoth's "other" season. The community tennis courts, finished last summer, are available to visitors and residents. Spring-Summer tennis tournaments are in the planning stages. The 1st annual combined Tennis-Ski competition has already been scheduled for Memorial Day weekend. Fishing season opens April 27. Weekly fishing derbys will continue throughout the season and are open to all. Water skiing on Crowley Lake will begin July 5th The Mammoth Lakes Sailing Club is in the midst of developing their summer schedule of cruises and regattas. This year it is likely that there will be sail boats available for rent, as well as for sale.

"Getting into the back country" is a favorite pastime for Mammoth visitors. The U.S. Forest Service, Red's Meadow Resort, and Mammoth Lakes Pack Outfit all have guided trips for those unfamiliar with the High Sierras. Ponderosa-Also Sierra offer a unique camping experience for children and teenagers which includes backpacking and rock climbing.

Sightseeing in the Mammoth area is unmatched anywhere. Bodie, one of the best preserved ghost towns in the U.S., is only 45 miles away. Mammoth Mountain operates their gondola to the 11,000 foot peak daily during the summer season. Other points of interest include the geologic formations of Devils Postpile, the Minarets and the Mammoth Earthquake Fault...and of course the many lakes and mountain peaks. The U.S. Forest Service has daily sightseeing trips. Mammoth Stage also has scheduled tours to many of these points of interest.

There are also several special events scheduled this summer which visitors will enjoy.

—The Mammoth Motor Cross—one on June 15-16, the other on June 22 and 23.

—The 4th of July Festival and Street Dance.

—The Archery Shoot—on July 6-7.

—The Arts Festival—the last week of August and first week of September.

This past winter Mammoth's business was up over 10%—in spite of the energy crisis. Gas stations in Mammoth and along 395 have plenty of gas, are open Sundays and evening, and are not governed by the odd/even rationing laws.

If you prefer not to drive Mammoth has a "Summer Airlift". Sierra Pacific Airlines offers daily flights to Mammoth from L.A. International and Burbank Airports...and it only takes one hour and fifteen minutes. Rental cars are available at the airport. In addition Mammoth Stage provides local transportation into and around the town area.

Last but not least Mammoths shopping, restaurant and lodging facilities are outstanding. Whether you need groceries, antiques, souveniers, or athletic equipment Mammoth's shops can serve you. Over 20 restuarants abound in the area and offer everything from full course gourmet dinners to pizza. Lodge rooms and condominiums are available for rent on a daily, weekly or monthly basis. Many have swimming pools, saunas, jacuzzis and private tennis courts.

Don't miss Mammoth's other season: There's lots to do, getting here is easy and the lodging, restaurant and shopping facilities are excellent.

Come join the fun.

11th SEASON

The Second Ski Season...

Each spring Mammoth skiers don their brightly colored wind shirts, short shorts and bikini tops and head for the snow. This year looks no different from past years—in fact, the parade has already begun!

Spring means blue skies, hot sun, and corn snow. The favorite time of year for many. And Mammoth offers the best of all three!

Spring skiing at Mammoth starts in mid-March and lasts through the fourth of July. Amazing snow depths accumulated through the winter months assure great snow cover for longer than most people are even thinking about skiing. At press time the base snow depth was 108". This season should be as good as ever.

The lifestyle associated with spring skiing is unique and unforgettable. Mornings are spent skiing on super corn snow—crusty early, usually softening by 10:00. As the afternoon sun becomes hot, most head for a dip at hot creek, a game of tennis or volleyball or a try at catching a fresh trout for dinner.

For an experience in skiing not attainable any other time; try Mammoth this spring!

The Cat Crews of Mammoth Mountain spend many hours grooming the slopes.

Spring Is When It Really Counts

When most other ski areas in the country are locking their doors and closing up for the year—Mammoth skiing is still fantastic! The care that goes on all winter in packing the snow really shows. The constant snow packing throughout the winter prevents the snow from melting too quickly when the hot Spring sun comes out.

Spring skiing is even further improved through new techniques in grooming and working over the snow. For instance, ammonium nitrate is used to harden the snow into hard particles which is called "corn snow"—this "corn snow" is preferred by many people over all other snow conditions. The cat crew also used long chains tied between two snow cats to break up snow chunks at the end of a Spring day when everyone has left the mountain.

MAMMOTH MTN TO HOST SECOND ANNUAL NATIONAL RESTAURANT RACE

Mammoth Mountain will again this year host the National Restaurant Race. The dates have been set for April 22, 23, and 24.

Last year Sam Walker of Whiskey Creek, with the help of many other local restaurants, organized this "first" on the racing circuit. The event was very successful with teams showing up from Aspen, Alta and even one team from Vermont. This year publicity will be going out nationwide in hopes of drawing many teams from all over the country.

This year there will be two classes—resort teams (any restaurant located within 25 miles of a ski area) and city teams (all other teams). The entry fee will be $35. The teams will be 4-man or 4-women teams—the top three times will be used in the scoring. The race will be a dual slalom. Merchandise and cash prizes will be awarded to the top teams.

This year Mammoth restaurants must qualify in the to enter. The top five men's teams and the top 3 women's teams from the Mammoth restaurants participating in the Village Champs will qualify for entry in the National Restaurant Race.

Sponsors to date for this race are: Finiman's Food Supply, Twenty-one Brands Liquor, Garcia Ski Corporation, Salomon Bindings, K2 and Mammoth Mountain Ski Area.

A new and unique land mark in Mammoth is the Clock Tower found atop the Alpenhof Lodge. This beautiful clock was imported from Germany and installed on the new addition of the Alpenhof. It is easily visable from Minaret Road on the way to the ski lifts in the winter or heading for Red's Meadow in the summer. It is also pleasantly audible as it chimes every quarter on the hour from 9am until 7pm.

The Clock Tower blends nicely with the authentic European design of the Alpenhof. The designer, Giles Wilson, a local architect, was inspired by the design of original Austrian chalets. The building not only looks like a true Austrian chalet but its atmosphere is also European with the warm welcome from its European owners, who had lived in Austria, Germany, and Holland before coming to America and finally setting in Mammoth.

Ski & Racquet Competition Slated For Memorial Day

On Memorial Day Weekend the Mammoth Lakes Chamber of Commerce, Mammoth Mountain Ski Area and Mammoth Lakes Tennis Club will sponsor the 1st annual combined ski and racquet competition. Everyone is invited to participate.

The tennis events will be Saturday and Sunday, May 25 & 26, in the afternoon, allowing free skiing in the morning. Tennis competition will be in the form of a mixed doubles round robin which should be fun for all.

Monday the ski race is scheduled. The race will be a strictly fun race that skiers of all levels can participate in. The race will be a relay of the same couples that played tennis together.

In the afternoon the participants are invited to attend a wine and cheese party (included in the entry fee) at Whiskey Creek. Trophies will be awarded at that time.

The entry fee is $5.00 per person. Mixed doubles entries will be accepted as well as individual entries. (Individual entries will be matched randomly.) Entries will be limited to 32 teams, so get your entry in early. Send the accompanying entry form with your entry fee to: Mammoth Lakes Chamber of Commerce, P.O. Box 123, Mammoth Lakes, Ca. 93546. For further information call (714) 934-2712.

Please enter me in the Mammoth Lakes Ski Competition over Memorial Day Weekend.

Mammoth Holds Summer Race Camp

Mammoth Mountain Ski Area and Rossignol Skis is sponsoring the Annie Famose Racing Camp starting in May. There will be four sessions this year, one which includes adults. The first session begins on May 25 and runs through June 2, (this is the adult and children session) the second from June 4 to June 12, the third from June 13 to June 21 and the fourth from June 22 through June 30.

A refreshing reasonable cost of just $250.00 includes coaching, conditioning, ski lifts, lodging and meals.

The Annie Famose Summer Racing Camp is open to all racers. Classes will be determined by racing ability and experience. Novices receive the same quality training as professionals and Class A racers. Parents can be rest assured that their children and teenagers will be carefully supervised at all times by responsible instructors who enjoy working with young people.

Each student is assured of receiving maximum benefits from each of the sessions he or she attends. There will be daily skiing with on-snow slalom and giant slalom training. We have the latest in modern equipment including the use of Video Tape Cameras for instructional aid. Evening seminars will include waxing, racing theory, technique and equipment as major topics. Extensive use of film adds immeasurably to the over-all program.

For further information on the race camp, please write Mammoth Mountain Ski Area, P.O. Box 24, Mammoth Lakes, Ca. 93546.

Mammoth Vista Chair Approved

Thursday, March 28, approval was given by the U.S. Forest Service to construct the Mammoth Vista Chair lift this summer. The chairlift has been an important issue in Mammoth for almost three years. This winter the Mammoth Advisory Council strongly recommended its construction. In their Phase III master plan, the Mono Plan group felt that it was necessary to build chairlifts that run directly into the village, to ease the parking and transportation problems on the mountain. The Phase III report also recommended construction of the Vista Chair.

The Mammoth Vista Chair will start at the end of Meridian Road in the Mammoth Vista. The 5000 foot chairlift will terminate at the top of Chair 8. From the top of the new lift, skiers will be able to ski to the bottom of Chair 9 or to the new warming hut at the base of Chair 8.

A 250 car parking lot will be constructed at the base of the new Vista lift. Mammoth Stage Lines is planning to service the chair with a shuttle bus as well.

According to Dave McCoy, president of Mammoth Mountain Ski Area, construction should be completed by fall 74. He stressed the fact that the early decision by the Forest Service to go ahead has made this timing possible.

Get The Hot Creek Habit

Hot Creek, located four miles from Mammoth, is a favorite swimming spot for both residents and visitors. Fed by hot sulfer springs, Hot Creek is open on a year-round basis. Water temperature near the hot springs is over 90. During the spring/summer months many swimmers "raft" down the creek for one or two miles. Restroom facilities and barbeque areas are available for the convenience of visitors.

A quick dip in Hot Creek is not only refreshing but healthy.

Monte Carlo Night Scheduled

For the third year in a row, Lady Luck has been seen stalking the hallways of the Yodler on Mammoth Mountain. Speculation has it that she is waiting for the Mammoth Co-op Nursery's annual Monte Carlo Night. At last years gala event her smile brought good fortune to many of the players on the three crap tables and fifteen blackjack tables. Winners were rewarded with a variety of prizes donated by local merchants and craftsmen. The prizes included such items as handcrafted purses, free ski lessons, ski clothing, coupons for gasoline, jewelry, artwork, a trip to Las Vegas, and much, much more! This year there will be new prizes and new winners, so give Lady Luck a chance to smile at you. Here's all you have to do:

A $2.50 donation for a ticket to any Nursery School parent, or at the door, secures for you $100 worth of chips. These chips are used for wagers in the various games. As you win more chips you may redeam them in the prize room for your choice of wonderful prizes. Come to the Yodler at 8:00 pm, May 3, and have the time of your life. Sorry, no one under 21 will be admitted.

All procedes from Monte Carlo Night go to the Mammoth Co-op Nursery School for the purchase of equipment and supplies. Any questions regarding Monte Carlo Night may be directed to Andi Armstrong or Kris co-chairman.

13th Annual Archery Shoot Scheduled For July 6-7

The 13th annual Mammoth Lakes Archery Shoot, which draws participants from all over the West, is slated for a "Family Fun Shoot." The shoot will be held at Lion's Park July 6-7.

The targets are lifesize animal cutouts. An informal time schedule is followed with shooting starting as early as 7:00 am on Saturday. Registration will be at the park Friday night from 6-11 pm and Saturday morning from 7-9 am. The registration fees are $5.00 for adults, $2.50 for juniors under 13 and $12.00 for the entire family. All entrants will receive a Mammoth archery pin.

Saturday evening there will be the traditional "Steak Feed," also at Lion's Park. Everyone is invited to come out for the "best steak in town"—for only $5.00. The bar-be-que is always sold out. Tickets are sold on a first come, first serve basis and are available at the Shoot on Saturday.

For further information on this event, please contact Doug or Sally Kittredge at Kittredge Sport Shop, 934-2423.

AVAILABLE

1200 sq. ft. of shop or office space availalbe. All or partial from May 1 - Sept. 31. Located on Main St. Contact Gary Evans, P.O. Box 8450, Mammoth Lakes Ca. 93546 or call (714) 934-6460.

Mammoth Mt Motor Cross Slated For June 22-23

The Mammoth Mountain Motor Cross, sponsored by the High Sierra Motor Cycle Club, will be held June 22-23. Entries are limited to 450 riders, including some of the nation's top motor crossers. This exciting race draws spectators from all over the west.

The Motor Cross is one of the most thrilling spectator sports that there is! A "Motor Cross" is a motor cycle cross country race over natural terrain. "The rougher, the better." "The Mammoth Course is one of the toughest in the County; plus the altitude takes the best out of you." Some say that the motor cross is the most physically demanding sport in the world.

"The Motor Cross will be held at the old Sherwin Lakes Trail Head just south of Mammoth Lakes. There is parking at the race course and also a shuttle bus that services outlying areas. There is a $2.00 donation for admission; kids are free. Beer, soft drinks, hotdogs and "the best hamburgers at any Moto Cross" will be sold both days. Races start at 9:00 am Saturday and 10:00 am Sunday and run until about 3:00 pm.

Saturday the three Junior divisions will be run; each division has three classes. A total of 18 races will be run on Saturday, all for trophies. Sunday's races are for cash prizes. There will be three Senior Divisions racing on Sunday. About 50 entires will start each race which makes for a very exciting spectator sport.

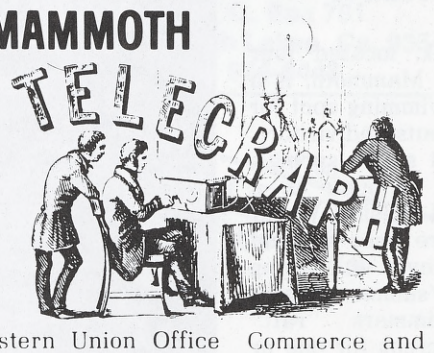
For further information or entry forms contact David Capps, Mammoth Lakes, at (714) 934-6632.

Old Timers World Champ Motor Cross Slated For Mammoth

On June 15 and 16 Mammoth will host the World Championship "Old Timers Motor Cross". The group is made up of riders that are 40 years old and older. The Old Timers Club was sanctioned four years ago by the American Motorcyle Association. There are currently 135 members in the Southern California Chapter.

Riders from throughout the country are expected to participate in this event, held in Mammoth for the first time. There will be four classes of riders—novice, intermediate, expert and masters. Saturday the team championships will be held; Sunday will be the individual championships For more information contact Don Rake at Mammoth Mountain Ski Area (714) 934-2571.

WESTERN UNION OFFICE OPENS IN MAMMOTH



A Western Union Office opened in Mammoth on February 1 in the Milovich Building in the Chamber of Commerce and Mammoth Reservations office. They are open daily from 9 to 9 and 9 to midnight on Fridays.

Sierra Pacific Airlines Summer Schedule

Sierra Pacific Airlines will continue to serve Mammoth Lakes and the surrounding resort communities this summer. The airline makes two round trips daily to Mammoth from both Los Angeles International Airport (West Terminal) and Hollywood/Burbank Airport.

The summer schedule is:

To Mammoth From L.A.
Flight 131-Leave 7:15 am
Arrive 8:45 am
Flight 231-Leave 4:30 pm
Arrive 6:00 pm

To Mammoth From Hollywood/Burbank
Flight 101-Leave 8:00 am
Arrive 9:30 am
Flight 201-Leave 3:45 pm
Arrive 5:15 pm

To Los Angeles From Mammoth
Flight 132-Leave 10:00 am
Arrive 11:30 am
Flight 232-Leave 6:30 pm
Arrive 8:00 pm

To Hollywood/Burbank From Mammoth
Flight-102-Leave 9:15 am
Arrive 10:45 am
Flight 202-Leave 5:45 pm
Arrive 7:15 pm.

The planes have been running quite full this season. Be sure to make reservations. For reservations and information call Los Angeles (213) 849-7791, Hollywood/Burbank (213) 843-5531, Mammoth (714) 935-4438 or (800) 232-2121.

Charter flights are available to clubs and other groups. For information on chartering a plane call (213) 843-5580.

Mammoth Lakes C of C Discusses Summer Plans

The Mammoth Lakes Chamber of Commerce is now formulating its plans for 1974-75. They will be putting considerable emphasis on a summer promotional program.

The first project of the new Chamber Board, the "Gas Facts" brochure, is completed and currently being distributed. This project was co-sponsored by the Mammoth Lodging Association. It will also be distributed at the up coming Sportsman's Show in Los Angeles. Any business members wishing to include the brochure in their mailings please pick them up at the Chamber office.

The Chamber and the Mammoth Lodging Association will also do a mailing of 5000 copies of the special April issue of the "Mammoth Lakes Press" to second homeowners and regular visitors to Mammoth. The issue will cover spring and summer at Mammoth.

The Board decided to immediately embark upon a community clean-up and beautification program. Mike Henry will chair the committee with Ed Cereda assisting. Other members for the committee are needed. If you are interested, please contact Ed or Mike. The "Lakes District Review" and "Mammoth Lakes Press" will work closely with the Chamber on this program which will include pictures of the good and bad clean-up jobs in town, prizes to those who beautify their locations, and sponsoring of clean-up days around town. Other organizations will be asked to help in this program including KMMT and the 4-H who both have sponsored successful clean-up's in the past.

The Chamber feels that the appearance of our town during the summer months is one of the most important factors in promoting repeat business.

The Board decided to sponsor a Ski/Tennis tournament over Memorial Day weekend. The Mammoth Lakes Tennis Club and Mammoth Mountain Ski Area will be assisting to make this event successful. More on this in issues to come.

Plans are being made for a "Smile Week" which will take place during the week prior to and including Memorial Day. All of the local businesses will be asked to participate. This program will be aimed at all people who meet the public—encouraging them to be more friendly and helpful. The Forest Service will present seminars on places to go and things to do in the area.

The Chamber Board is working on many other promotional projects including a summer advertising program. Suggestions are still being taken—so if you have not turned yours in yet, please write it down and drop it off at the Chamber office.

This year looks exciting for the Chamber. All persons with an interest in the area are invited to join. General meetings are held on the first Tuesday of each month with dinner preceeding the business meeting.

Business memberships are offered to those continuously active in business in the Mammoth area for $50 per year. Associate memberships are offered to non-business members and interested parties for $25 per year. Memberships include a monthly newsletter to keep you informed of Chamber activities.

If you would like to become a member of the Mammoth Lakes Chamber of Commerce please fill out the form below and return it to Mammoth Lakes Chamber of Commerce, P.O. Box 123, Mammoth Lakes, Ca. 93546. Those joining now will be paid up until June 1975.

For those traveling to Mammoth via plane, Avis rental cars are available. For car reservations call (714) 935-4471 or (800) 252-0011. Mammoth Stage Lines meets all scheduled flights to Mammoth. They also run a shuttle service throughout town and will be adding scenic bus tours to their itenery this summer. Mammoth Taxi also offers door-to-door service from the airport into town.

Pack Trips Offered at Mammoth

Mammoth has many great summer activities to offer, one being pack trips. The enchantment of the High Sierra from the sparkling brooks at the foot of snow-capped peaks to the myriad array of wild flowers in the lush meadows provides an inspiration for a fascinating open group pack trip for riders and hikers. The aroma of savory food, the flicker of a campfire and the companionship of mountain folk are only a few of the delightful features which makes this trip a wonderful vacation.

Red's Meadow Resort in the spectacular heart of the High Sierra offers you a land of crystal-clear streams and emerald lakes, of vast, unspoiled virgin forests, touched only by mountain trails...a paradise for the photographer, fisherman, hunter and for those who seek rest and solitude.

Spot pack trips are available. You are taken by horseback, your gear and provisions by pack animals, to a desirable campsite on a lake or stream. The stock and packer return for you on a pre-determined day. This type of trip has the desirable features of camp comfort, moderate riding and hiking to other nearby lakes and streams. The one-day spot trip permits the packer to return to the pack station the same day. The overnight spot trip places you in more remote areas.

Loop trips through the heart of the High Sierra are also available for your pleasure. An experienced staff provides the packing services, plan and prepare the meals, and handle the related problems. A person may ride or hike during the duration of the trip. Moves are of a reasonable hiking and riding distance.

The daily camp routine is designed around your interests. The trip will normally move camp every second or third day depending upon the area. Sufficient time will be spent in each location to allow enjoyment of that area.

Packing school will be offered in two seven day sessions, June 23 through June 29 and July 14 through July 20. These sessions include a 5-day pack trip through the High Sierra Wilderness. For more information contact the Red's Meadow Pack Stations at (714) 934-2345.

Have A "Hay" Day In Mammoth

Mammoth Lakes Pack Outfit is offering a fun new adventure for visitors and residents of Mammoth... real traditional hay rides! You can now enjoy a horse-drawn hay wagon ride with your family and friends through the Mammoth meadows at the foot of the majestic High Sierras.

The rides are scheduled every evening except Monday starting at 7 p.m. Along with the hay ride one may enjoy coffee and cocoa around a blazing campfire. The cost per adult is $2.75 and $2.00 for children under 12, although special group rates are also offered. For further information or reservations call (714) 934-2434 or write Mammoth Lakes Pack Outfit, P.O. Box 61, Mammoth Lakes, Ca. 93546. Don't miss out!

Tours on horseback are offered by the pack outfits of Mammoth. Pack trips to many of the High Sierra's beautiful lakes are offered.

Recreational Spring and Summer Program

MAMMOTH MOUNTAIN INN plans a multi-recreational spring and summer program. The new owners of the Inn, after their successful operation this past winter, have big things in store for the coming vacation season.

Included in the programming for the summer visitor are many planned activities, to include horseback riding, swimming, lawn games, fishing, cook-outs, water skiing on Crowley Lake, sailing on Crowley and June Lake, plus special kids programs which will include arts and crafts, nature walks, movies, archery and many more.

With twelve feet of snow remaining on the ski hill there is still some of the finest skiing available on Mammoth Mountain. For those who have never skied Mammoth in April, May and June there are some real treats in store. Temperatures at Mammoth keep snow conditions excellent for skiing. The mountain crew continues to maintain the slopes in fine condition. Spring is when you see many fun outfits on the hill, including bikinis, straw hats, and lederhosen; all designed to soak up those early tans. There are picnics on the hill, watermelon rolling contests, and exhibitions on Hair Jump.

Most exciting, perhaps, in the summer plans at Mammoth Mountain Inn is the Arts Festival scheduled during July, August and September. Plans are now being laid for art shows, summer stock theatre, dance and music recitals and arts and crafts shows. Mammoth has long needed to compete with the summer activities offered by areas such as Sun Valley, Idaho, Aspen, Colorado and others. Mammoth Mountain Inn feels certain that its "Art Festival" will attract many, many new visitors to the area.

Youth Camp Summer Program

Ponderosa-Alta Sierra, a well known coed camp based in Mammoth Lakes, is offering its 11th year of summer activities for youngsters. The program emphasizes backpacking, rock climbing, water skiing and photography while exploring other ways of discovering and enjoying the beauties and resources of the Eastern Sierra. Three sessions for children of different ages are planned:

A 12 day coed camp (ages 8-12) July 1 to July 13 $275;

A 21 day coed session with special instruction in backpacking and rock climbing (ages 12 to 16) July 15 to August 4 $435;

A 28 day coed session (ages 12-16) August 7 to September 3 $550. Enrollment for this session can be arranged for any duration with a 7 day minimum at $22 per day.

A combination of traditional values associated with camp and specialized training necessary for fullest enjoyment of the wilderness make PONDEROSA-ALTA SIERRA'S program particularly appealing. Rock climbing and backpacking offer a personal challenge very different from that found in competitive sports. Expert instruction in photography heightens awareness to the magnificant scenery and encourages creative expression. Darkroom procedures are taught and all materials are supplied. An attitude of concern for the delicacy of the wilderness is stressed, while new ways to minimize human impact are explored. Participants share in the planning and through this process gain skill and experience enabling them to organize future backpack trips of their own. The quiet beauty and absence of urban stimuli create a unique opportunity for meaningful interpersonal relationships.

The relaxed, unscheduled approach allows individual choice of activities. Day trips to Devil's Postpile, Rainbow Falls, Hot Creek, Yosemite National Park, the ghost town of Bodie, etc., will appeal to those who do not want to join longer backpack trips. Daily water skiing and sailing instruction is included in the program. Evenings around the campfire—singing, talking, and looking at the stars—are an important part of this

Two exciting river trips will be included in the 1974 schedule: The trips combine the thrill of river running in incredibly beautiful surroundings with visits to historical monuments and national parks. Skilled guides will take the group through Indian country and special arrangements have been made to meet with experts for detailed briefings. Each trip is unique and offers a variety of interesting experiences. Participants must be aged 12-16.

A San Juan River trip and tour of Indian country (California, Utah, Nevada, and Arizona) 10 days $295;

A Rogue River trip and tour of Pacific Northwest (California and Oregon coast) 8 days $268.

Of special interest to horse lovers is an 11 day trip through the Bob Marshall wilderness area in Montana. Five days will be spent on horseback. Visits will be made to Glacier and Yellowstone National Parks as well as Jackson Hole and other places of interest in California, Montana, Wyoming, Idaho, and Utah. We will travel by air and bus.

There will also be specialized courses in rock climbing and mountaineerifng for beginners and advanced climbers. Dates are available on request.

For additional information on any of the above, call (213) 472-0344 or write Ponderosa-Alto Sierra, 11256 Homedale Street, Los Angeles, Ca. 90049.

How about having your new ski home next to Mammoth's newest ski center?

Warming hut #2 at Chair 8, located next to "the 1849" condominiums.

MAMMOTH AT IT'S BEST

The 1849 Condominiums of rustic wood and stone, capture the Mammoth mood; an unparalleled view of ski trails and Long Valley below. Rare locale, close to the lifts (600 ft.). Magnificent interiors — with huge fireplaces, shag carpet, all electric range, oven, regrigerator, dishwasher and disposal — even a "mudroom" for skiers' gear — and private Recreation Club with heated pool, three Jacuzzis, sauna and laundry. Homes offer 2, 3, 4 bedrooms, one and two story levels. Everything for Mammoth Lakes Living at its best — all four seasons long!

Sierra Fishing Prospects Excellent

by Ted de Plomb

April 27 marks the opening of another High Sierra fishing season, and this year promises to be one of the best!

As of this writing several of the Mammoth Lakes waters are ice free, with the rest looking good for early season enthusiasts. Convict Lake, Crowley Lake and most of the June Lake Loop is sparkling blue with winter hungry lurkers curising the shallows looking for any tidbit to feed upon.

The higher elevation (above 9,000) water will have full or partial ice coverings thru May. Many of the accessible lakes may be fished thru the ice, with excellent results. Weight limits produced on Lake Mary, Mamie, Horseshoe, and George are witnessed each year by hardy Cross-Country skiers and snowmobilers!

The Twin Lakes are easily accessible with the road clear right to the water's edge.

A word of caution should be noted on walking on icy Sierra lakes late in the spring. Many times an area appears to be solid ice safe for fishing or traversing across the lake. Quite often, the warm air and warming water temperatures will have caused the ice covering to become only 1"-2" thick. These chilly waters are great for trout, but dangerous for an unsuspecting family of fisherman.

By the time school is out our Mammoth Lakes area will be warm and totally accessible for the vacationing motorist. Try the best fishing waters in California this year for a money-saving respite from your busy city life.

Fishing at one of the many lakes in Mammoth.

Three Fishing Derbys Planned This Summer

Each summer the Mammoth Lakes Chamber of Commerce sponsors a fishing derby open to all residents and visitors to Mammoth. The derby runs throughout the fishing season. Plaques are awarded each week for the largest fish in each of two classes. Weekly derbys run from Saturday noon to the following Saturday noon. Fish may be officially weighed and entered at the following locations: Village Sport Shop in Minaret Rd., Wildeyre Store, Kittredge Sport Shop, Filson's Tackle, and Convict Lake Resort Store. For rules and further information on the Derby please contact the Mammoth Lakes Chamber of Commerce (714) 934-2522.

Again this summer the Kittredge Sport Shop will sponsor a unique fishing contest—The Blind Bogie.

Each week a number is chosen by the Kittredge Staff. The combination of a trout's length in inches and weight in ounces determines the winner. For example, let's say the number for opening week is 16. If your trout is 9 inches long and weighs 7 ounces you win! This makes it possible for even the kids to win! A $10 gift certificate is given each winner and in case of a tie two certificates are issued.

Last year 20 winners were awarded prizes and this season an extra month is added so 24 winners will be $10 richer. You may enter one trout per day each week!

Filson's Tackle also sponsors a weekly fishing derby. This Derby runs from Saturday noon to Saturday noon. Fish must be weighed in at Filson's Tackle Shop to be eligible for prizes. Each week a $5.00 gift certificate is awarded to the person who weighs in the largest fish. They also present a trophy at the end of the season for the "biggest of the year". During the summer Filson's is open from 7:00 am to 10:00 pm.

Summer Clinics To Be Offered

Again this summer Kittridge Sport Shop will be holding clinics for the sportsman. Last year clinics were on fly fishing techniques. This year many other topics will be covered including backpacking, outdoor cookery, camping, archery, bowhunting, plus courses in both fly fishing and casting. The clinics will be held at least twice a week. For more information, stop by the store.

Parade, Street Dance and Fair Planned For The Fourth Of July

The Mammoth Lodging Association is planning to host the July 4th parade again this year. The parade will include the band from Mammoth Elementary School as well as Lee Vining High School's band. Others that will be invited to participate will include the Mammoth District Fire Department, Mammoth Mountain Jr. Race Team, little league, 4-H, Girl Scouts, Boy Scouts and the Tyrolean Band. The business community has also been invited to participate by entering floats. The local children may also have an opportunity to parade with their dogs. The parade is scheduled for Thursday morning and will be held on the main street of town for easy viewing by both residents and visitors.

The Mammoth Lodging Association is also sponsoring a Street Dance/Fair. The dance will start about 2:00 pm. The event will be held in the parking lot of the Inyo-Mono National Bank and the Post Office—on Highway 203 in the center of town. All residents and visitors are invited to join in on the fun which will continue into the evening. Raffle tickets will be sold for valuable prizes. The raffle tickets may be purchased ahead of time at any of the local sporting goods stores or participating lodges and condominiums; they can also be purchased at the street dance. The drawing will be at the dance at about 9:00 p.m. The winner must be present.

Two bands will be on hand to entertain you at the street dance. Also beer, soft drings and German hot dogs will be sold.

A fireworks display will be held in the evening at Mono Lake, about 30 miles north of Mammoth on Highway 395. Plans for this year's fireworks display have not been announced; but last year's was a smashing success.

Water Skiing On Crowley Lake To Begin July 5

Water skiing will begin Friday, July 5, at Crowley Lake which is located about ten miles south of Mammoth Lakes on Highway 395. Skiing activities during July will be limited to an area of the lake where it will not interfere with anglers at the trout fishing center. From July 5 through 29, the lake will be open on Thursday thru Monday. Hopefully water skiing activity will continue through Labor Day.

Life guards will be on duty throughout the skiing season and will strictly enforce safety measures which have been adopted by the Los Angeles City Recreation and Parks Department.

Boats will be launched at Crowley's south landing and must proceed directly to the water skiing area. All crafts will be inspected, and all boats will be kept out of the skier landing area.

This will be the fifth season of water skiing at Crowley Lake. A successful pilot project was conducted in 1970 and the activity was offered in the McGee Bay area the last three years.

Sail Mammoth This Summer

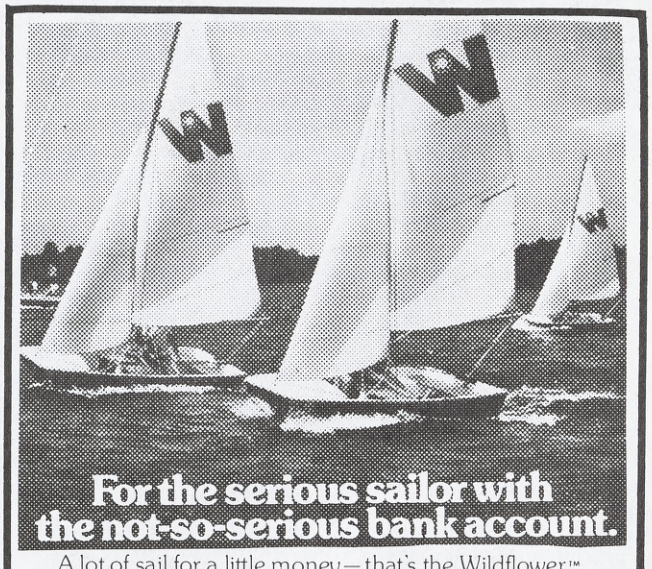
Mammoth Lakes first Yacht Club was established in June of 1973, club membership has already risen to over 50—all enthusiastic sailors. Races, cruises and excursions have been planned throughout the summer to Crowley Lake, June Lake, Lake Mary, Topaz Lake, Horseshoe Lake and Convict Lake. These lakes are located within a 30 mile radius of Mammoth and are ideal for sailing.

Yacht Club members have selected two class boats—both classes are similar enough that they can be raced together. The Mayflower is a 12-foot long (4-foot beam) lateen rigged sailboat with 85 square feet of sail. The Wildflower has the same hull design but is sloop rigged—with jib included. Each boat will accommodate four people but can also be "singled handed."

The boats are extremely versatile which is one reason they were selected. The Wildflower and Mayflower both convert to a motorboat or rowboat for those members who also enjoy fishing. The boats are lightweight and can easily be placed on the top of a car.

Yacht club activities will continue through October—or until the snow flies. All residents and visitors are invited to join the fun.

For more information contact Mammoth Lakes Yacht Sales (714) 934-2126 or Mammoth Lakes Yacht Club, Box 733, Mammoth Lakes, Ca.



A lot of sail for a little money—that's the Wildflower.™ 100 square feet of main and jib. An optional spinnaker. And a hull that weighs only 90 pounds. Put them all together they spell speeeed.

And she can do more than sail. The Wildflower can be rowed. Motored. Fished from.

More good news. She's virtually maintenance free. Made of Corlite™ material, she's tougher than fiberglass. And lighter, so you can car-top her anywhere.

The Wildflower is a fine looking sloop. In fact, at her price you might even call her beautiful.

The Wildflower. $695.00

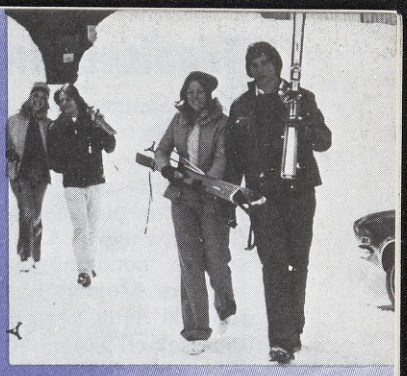
It's a whole new way of life: own your own special place away from the city. Where friendship flows. To relax, just the two of you. To sit in front of the fireplace on chilly evenings and sip your favorite wine and reminisce about the great day you had on the slopes.



It's a whole new way of life: Have your own exciting year around retreat . . . Skiing . . . Tennis . . . Swimming . . . Fishing . . . Hiking. Get outdoors, breathe the fresh air; be totally revitalized.

It's a whole new way of life:
A wine and
cheese picnic in the snow.
Lots of friends. Life is
a great feast. Take a really big bite.

a ski country condominium is a whole new way of life.

Tennis Is In

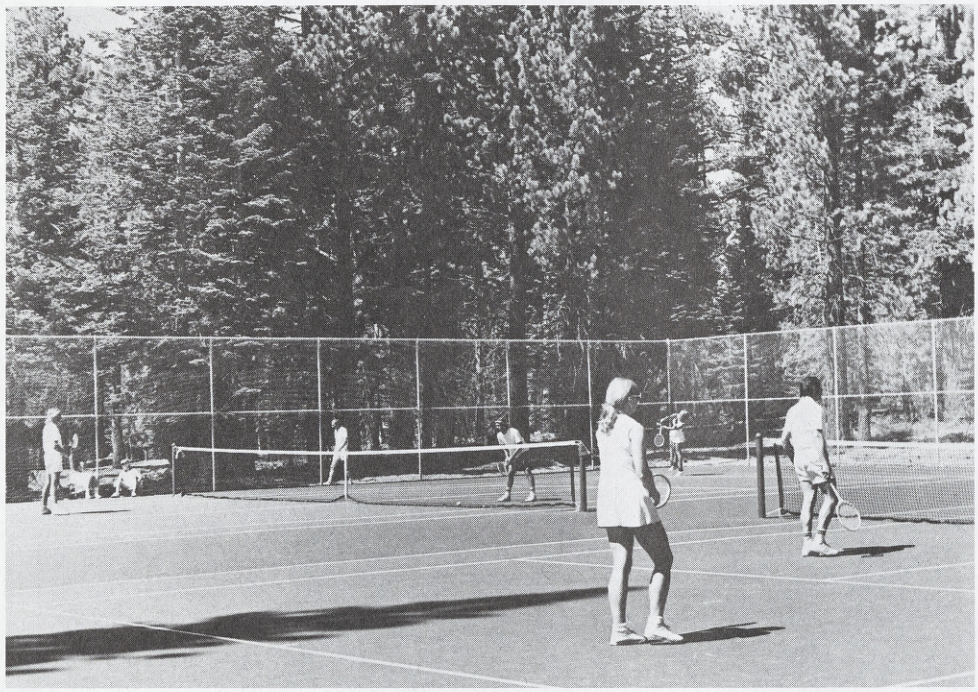
This summer will definately be a tennis summer in Mammoth. Our two new community courts will be ready for play as soon as the snow melts. Also many of the condominiums as well as Mammoth Mountain Ski Area have courts.

To kick off the season, the Mammoth Lakes Chamber of Commerce, Mammoth Mountain Ski Area and the Mammoth Lakes Tennis Club will sponsor a Ski/Tennis Tournament over Memorial Day weekend. Everyone is encouraged to participate. The event will be a fun event for all members of the family.

The Tennis Club is also sponsoring a tennis ladder this summer. If you plan to visit Mammoth often this summer, join the Tennis Club and start challenging!

Also planned this summer is a Tennis Week with tournaments for the expert to the beginner.

For more information on "Tennis at Mammoth" please contact the Mammoth Lakes Chamber of Commerce, P.O. Box 123, Mammoth Lakes, California 93546, (714) 934-2712.



Mammoth now boasts many new tennis courts. The Community Courts [above] are just some of the fine courts built recently in Mammoth.

Mono Lake District Visitor Program

The Mono Lake District Visitor Program for the summer of '74 has been planned. There will be an activity everyone can enjoy.

Interpretive Walks—are scheduled for Tioga Pass on Friday at 1:30 pm covering Bennettville, wildflowers and high country ecology; June Lake Loop on Tuesday at 10:00 am covering Indian Rock, June Lake Domes, Oh! Ridge and Rush Creek; Obsidian Dome on Saturday at 2:00 pm (a walk on the moon).

Junior Ranger Programs—June Lake Loop on Friday at 10:30 am. 5-10 year olds in July and 5-14 year olds in August.

Auto Tours—Sunday at 1:00 pm, Oh! Ridge and Oh! Ridge Vista Point covering Mono Lake, Mono Craters and Volcanic Glass Flows.

Campfires—Programs start at 8:30 in July, 8:00 in August and 7:30 in September at Oh! Ridge Campground on Friday, Glass Creek Campground every other Saturday, Big Springs Campground every other Saturday, Big Bend Campground every other Sunday, Silver Lake Campground every other Sunday, Tioga Junction Campground every other Thursday and Saddlebag Lake Campground every other Thursday.

Evening Programs—will be held on Tuesday and Saturday at the June Mountain Amphitheater starting at 8:30 in July, 8:00 in August and 7:30 in September.

Weekly Special—on Mondays a special tour of some part of the June Lake Loop will be held.

See posted bulletins for details of all activities. They can be found at all U.S. Forest Service campgrounds and at places through out the loop. Contact the Lee Vining Ranger Station for any questions at 647-6525.

Mammoth Ranger District Camping Notes '74

This year there will be no entrance fees or charges in the Inyo National Forest campgrounds. There is, however, a bill before the Congress to re-establish the fee system.

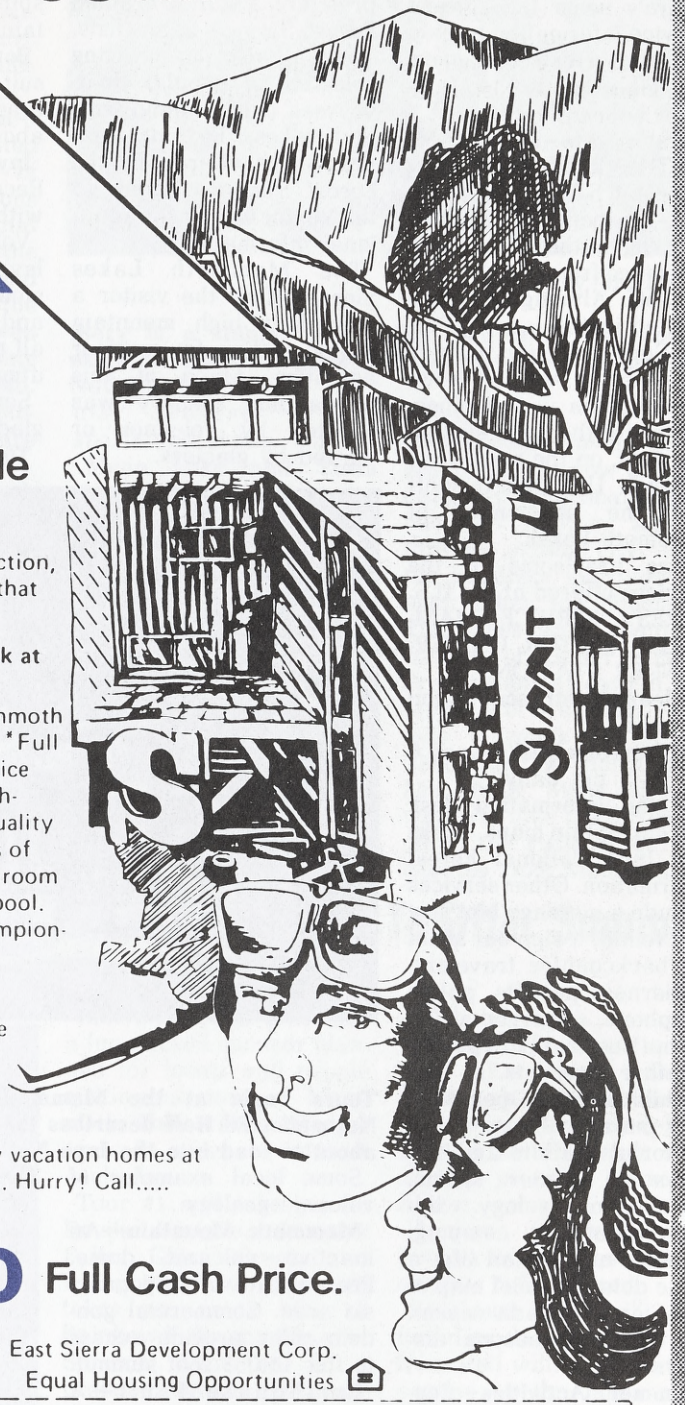
The TICKETRON camping reservation experiment conducted in 1973 at certain National Forest campgrounds has been discontinued. There will be no TICKETRON reservations in 1974 for campsites in the Inyo National Forest.

There will be construction projects under way this summer at some Inyo National Forest campgrounds. All resorts will remain open, however, and there should always be campsites available. Campers are advised to contact the receptionist at the MAMMOTH VISITOR CENTER-RANGER STATION for up-to-date information concerning campgrounds.

Reservations for group campground sites are now being accepted. Organizations should contact the Forest Service at Mammoth Lakes by mail (P.O. Box 146) or phone (714) 934-2505, well in advance of their planned visit.

THE SECRET IS OUT...

MAMMOTH'S SUMMIT CONDOMINIUM



All by itself... in the middle of everything!

Tucked away in Mammoth's most exclusive section, Mammoth Vista, is a condominium so unique that it has to be seen to be believed!

People are talking, and it's no wonder, just look at what you get:

*A location directly at the base of 11,053 Mammoth Mountain. *Spectacular views in all directions. *Full winter protected underground parking. *A choice of 1, 2, & 3 bedroom units. *Elegant wood highlighted interiors. *Natural stone fireplaces. *Quality construction and design based on over 12 years of building experience in Mammoth. *Recreation room with conference facilities. *Heated swimming pool. *Three Jacuzzi pools. *Two saunas. *Two championship tennis courts...need we say more?

There's more

Rumor has it that even more exciting things are planned for the Summit, but right now we're keeping it a secret.

Be one of the select few

Now's your chance to own one of these luxury vacation homes at preview prices that just couldn't be kept secret. Hurry! Call..... **(213) 476-1269** now, for a choice selection.

From Only $25,900 Full Cash Price.

A masterplanned condominium community by East Sierra Development Corp.
Offer limited to California residents only. Equal Housing Opportunities

Please rush me more information and let me know how I might qualify to fly to Mammoth **FREE** to inspect the Summit. LAT 2/12

Mammoth Visitor Center Offers Summer Program

Here's some U.S. Forest Service information to help you plan a safe and more enjoyable visit to the Mammoth Lakes Sierra.

First Stop—the MAMMOTH VISITOR CENTER-RANGER STATION.

We are located in the first building on the right, about two miles from the U.S. 395 turn-off. Although we are located in the largest Forest Service Visitor Center in California, we are somewhat hidden in the pines. Watch for the large sign on the right, on the main road between U.S. 395 turn-off and the community of Mammoth Lakes.

Here are some of the services offered at the U.S. FOREST SERVICE MAMMOTH VISITOR CENTER-RANGER STATION:

Clean Restrooms—open 24 hours.

Information Desk—open 8 am to 5 pm daily.

At the information desk you can obtain maps, books and Inyo National Forest information. Other services include a message box, lost and found, a sign-out sheet for backcountry travelers, wilderness permits, public telephone, emergency information and special weather forecasts.

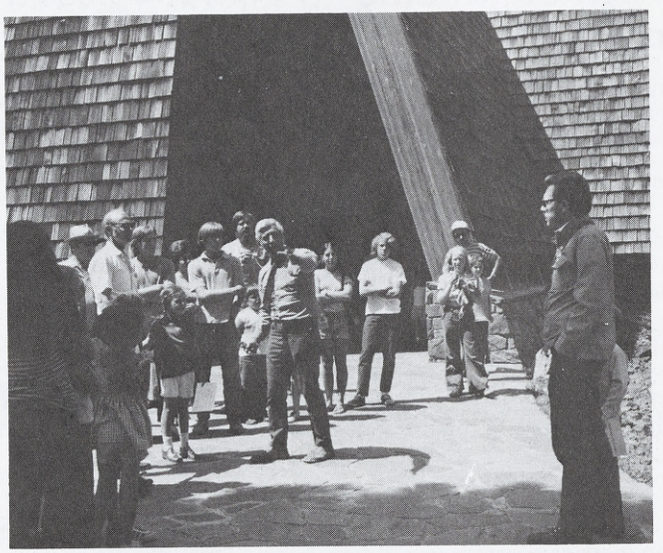
Exhibit Room—Open 8 am to 5 pm daily.

Colorful exhibits and displays on winter sports, ghost towns, geology, wildlife, wilderness, camping, forestry and Indian life, a large detailed relief map of mid-Sierra Nevada region, and changing seasonal displays.

Summer Activities—Regular scheduled programs from late June until Labor Day. Topics include wildlife, wilderness, geology, history, fire fighting and forestry. Emphasis is on local Mammoth Lakes Sierra and its ecology.

During the day, conducted hikes and auto tours are led to the Inyo National Forest's outstanding points of interest. Indian life, the Jeffrey pine forest, and colorful geology are but a few of the subjects interpreted by a staff of trained Forest Service naturalists. There's also a growing selection of popular do-it-yourself (self-guiding) trips and hikes. Evening programs are offered by the Forest Service. Check at the Visitor Center for additional information.

The Mammoth Lakes Sierra offers the visitor a marvelous high mountain scenic setting for outdoor activities. Much of this outstanding scenery was created by volcanos or carved by glaciers.



photos by John Derby

Tours begin at the Mammoth Visitor Center. VIS Naturalist Ed Hoff describes the interpretive hike he is about to lead into the Inyo National Forest.

Some local examples of volcanic geology:

Mammoth Mountain—An inactive volcanic dome. Present site of a popular ski area. Commercial gondola rides provide access to this 11,053 foot summit.

Earthquake Fault—A cooling crack in lava. Often filled with snow even in mid-summer. Located in a beautiful grove of evergreen trees. Exhibits.

Devils Postpile—A National Monument preserving a unique lava formation exposed by creeping glaciers.

Rainbow Falls—The San Joaquin river plunges 140 feet over a lava ledge into a deep dark gorge. Best rainbow about mid-day.

Crystal Crag and Mammoth Rock—Highly scenic spires jutting out of mountainsides.

Bottomless Pit—The result of weathering and erosion in ancient lava above Twin Lakes.

Inyo Volcanic Craters—Recent blast pits now filled with small lakes.

Volcanic glass, ash and lava flows, hot springs and steam vents, cinder cones, and other volcanic features all add a man-on-the-moon atmosphere.

Some local examples of glacial geology:

The Mammoth Lakes—There are over one hundred scenic lakes nearby. Most of the Mammoth Lakes and many other lakes were scooped out by glaciers.

Cirques—The large amphitheater-like mountain hollows where glaciers were born.

Horn Mountain—The Minarets in the Ritter Range in the Minarets Wilderness are examples.

Glaciers—Living glaciers are to be found nearby. Most glaciers require a strenuous hike for a close view.

Fine and scenic examples of glacial polished rocks, U-shaped valley and long but massive ridges (moraines) bulldozed by glaciers are other local features.

The Mammoth Lakes area has both the oldest and youngest known glacial deposits found in the Sierra Nevada Range.

And what does geology have to do with your enjoyable visit to the Mammoth Lakes Sierra?

Well, thanks to geology, you can **SKI** in the smooth covered pumice slopes of Mammoth Mountain; **BACKPACK** through some of the most challenging wilderness terrain in the USA; **SWIM—PADDLE—FISH—SAIL** on some of the most beautiful mountain lakes; **DRIVE—HORSEBACK RIDE/HIKE** through scenery all the family will enjoy; and **PHOTOGRAPH** your experiences for many happy memories.

Volcanic soils are rich. Where the water from melting snow keeps the soils moist, watch for brillant displays of mountain wildflowers. Small animals and birds are abundant during the summer months. The larger animals and birds are shy. It takes skill to observe or photograph them. Our four species of trout are shy and very beautiful. A real challenge.

The U.S. Forest Service Visitor Information Service programs are designed to add extra pleasure and understanding to these outdoor activities.

Perhaps the greatest delight of recreating in the Mammoth Lakes Sierra is the summer weather. Warm sunny days (70-80 degrees) and cool nights, (50-60 degrees) make every outdoor adventure a pleasure. Showers are infrequent and seldom last very long.

Your visit to this portion of the Inyo National Forest could change your whole outlook on life. We hope your visit is enjoyable and safe.

Cont. on page 21

Mammoth Visitor Center

If we can be of service, drop by the MAMMOTH VISITOR CENTER-RANGER STATION or telephone (714) 934-2505.

Remember to take only photos and leave only footprints.

Crowley Lake—This 6 mile long lake is about fifteen minutes south of Mammoth on U.S. 395. Known for its excellent early fishing season (June and July) the lake is also a popular water skiing area in July and August. Sailing was allowed last season on a limited basis; hopefully this year there will be sailing all season. Boat rentals are available.

Hot Creek Fish Hatchery—The waters provide an ideal temperature for development and incubation of trout eggs. See the development of trout from breeders to minute eggs to trout of planting size. About 10 minutes south of Mammoth U.S. 395.

Red's Meadow—Four miles N.W. of Mammoth Mountain. Red's Meadow is a land of crystal-clear streams and emerald lakes, of vast unspoiled virgin forests touched only by mountain trails. Facilities at Red's Meadow include campgrounds, snack bar, general store and cabins. Also horseback riding, pack trips and boating.

Mammoth Lakes Basin—This alpine setting, located about 4 miles west of Mammoth, has numerous lakes and waterfalls that are easily accessible to the visitor. Several resort and pack stations are in the area. Swimming is allowed at Horseshoe Lake. Fishing on all lakes is excellent. Campgrounds, picnic facilities and boat rentals are available.

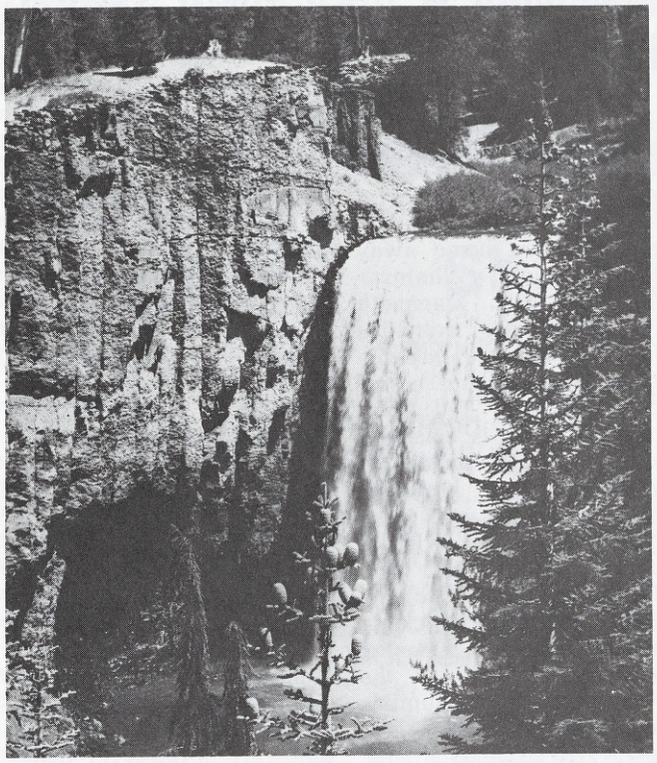
Obsidian Dome—A volcanic glass flow that cooled long ago, creating an enormous "glass heap" to clamber on. Wear suitable foot gear. Located about 10 miles north of Mammoth Mountain.

Minaret Vista—Enjoy a fifteen minute self-guided walk. See the distant wilderness and the San Joaquin River. Identify plants along the trail. One mile north of Mammoth Mountain.

June Lake Loop—About 20 miles north of Mammoth off U.S. 395. Enjoy an alpine wonderland. Fishing, swimming, boating and spectacular scenery. Winter sports and skiing, too.

Mono Lake and Tufta Towers—Twenty-five miles north of Mammoth on U.S. 395. A high-elevation dead sea. Mono Lake is 87 square miles in area and 156 feet at its deepest point. The third largest nautral lake in California. The Tufta Towers, oddly shaped gray rocks along the north and south shore are formed in the salty lake water through fresh water from springs acting on limy deposits of small algae plants.

Bodie Ghost Town—Lonesome Bodie is now a State Park and Historical Monument. A century ago a thriving mining city, now the buildings lean against each other for company. The mines grew silent as rumors of richer strikes drew people away. Fill the tank before starting and take a snack or picnic. Take U.S. 395 north past Lee Vining. Signs tell you where to take the dirt road off to the right. About 75 minutes from Mammoth.



Rainbow Falls in Red's Meadow.

photo by John Derby

Story in a stump. Forest VIS Naturalist Phil Collins explains how trees grow and are harvested in the Inyo National Forest.

Mammoth Stage To Offer Summer Tours

Mammoth Stage Lines has a fun-packed summer planned for locals and people visiting our town of Mammoth. They will be offering tours to areas of interest each day.

Tour #1 will take you to Devils Postpile, Minaret Falls, Glass Creek and Red's Meadow. Tour #2 takes you on a hike to Rainbow Falls and Minaret Summit. Tour #3 is a preconditioning backpack special. You will ride the gondola and hike down to Red's Meadow where you can take spectaculor photos of the area. A bus will be waiting at the bottom to return you back to the village.

Another tour will take you to the famous and exciting ghost town of Bodie where you can see what it was like during the gold rush days. Also on this trip you will visit the Mono Mills and Lundy Lake.

There will be a tour to the local lakes which include Twin Lakes, Lake Mary, Lake George, Horseshoe Lake. A beautiful area and a great place to do some fishing.

Tualome Meadows and Tenaya Lake in Yosemite is another tour offered.

Mammoth Stage will continue its daily services in town and will have shuttle service to the lakes and Red's Meadow.

Mammoth is a great place to visit. It has everything to offer for the outdoor lovers. You can spend days in the area and see something different each day. If you are a photo bug you can take breath taking pictures which will be admired by all.

Mammoth Stage has certainly put together a great summer program. Something no one can resist.

Egg Hunt Slated For Easter Day

Sunday, April 14, will be a fun and colorful day at Mammoth Mountain Ski Area. Usually a warm, sunny day, Easter is the day for wild outfits, flowered hats and anything non-traditional on the slopes.

In the morning, all residents' and visitors' children are invited to participate in the annual Easter Egg Hunt sponsored by the Mammoth Mountain Ski Area. The kids gather at the Ski School meeting area (under the bell in front of the base lodge) where they are given bags to put their eggs in. When the signal is given, they take off up the slope! Many colorfully decorated eggs are "hidden" on Broadway. The lucky ones will find eggs that offer a prize—"free lunch," "snowmobile ride," etc. For the adults who want eggs—the cafeteria has colored hard-boiled eggs for the occasion.

Invitational Arts and Crafts Festival To Be Held

During the last week of August this year, an old mining camp will spring up in the pine grove at Mammoth Community Park, a perfect site for the 5th Annual Invitational Arts and Crafts Festival. Growing more successful each year in the lovely High Sierra setting, the local artists and craftsmen have decided to exhibit for 10 days this year, ending on Labor Day.

With the theme of the original Mining Camp at Old Mammoth permeating the atmosphere, the members of the Mammoth Lakes Artists and Craftsmans Association cherish the idea that the Mammoth Festival will remain unique in quality.

Putting on a festival and getting the community involved has not been easy, but each year sees progress. This years festival should be bigger and better than ever. The ultimate goal of the, artists and craftsmen is to establish a summer long cultural program.

Scenic Gondola Ride—A Must For All Visitors to Mammoth

Take a scenic 20-minute ride to the "top of the High Sierra" via the Mammoth Mountain Ski Area Gondola. Once at the top, view the magnificent scenery, hike as long as you like, stop at the mid station for lunch or a snack on your return trip. A camera is a must for this spectacular trip. Gondolas leave continually from the base lodge. The price is $2.50 for adults; $1.25 for the kids. The scenic gondola rides run all summer through the Labor Day weekend.

Mammoth Is Ideal For A Second Home

Have you ever considered a second home? This may be the year to jump in and do it!

Mammoth offers the ideal place for a "home away from home". Whatever your interests, Mammoth has recreational activities for you! Mammoth Lakes is truly a year-round resort community.

Spring skiing is excellent this year...as usual. It won't be long, however, before visitors and residents get into the swing of other activities as well. Tennis, sailing, fishing, water skiing, backpacking, swimming and sightseeing are just a few of the recreational opportunities available to those that live in or visit Mammoth.

This year there are a wide variety of condominiums available in Mammoth... some second homes cater to the more expensive tastes while others are priced from as low as $16,900.

What a perfect way to avoid the vacation hassles this year!

Mammoth condominiums come in all sizes—from efficiencies to four bedroom deluxe units. Many of the condominiums offer tennis courts, swimming pools, saunas, jacuzzis and recreation rooms.

The real estate brokers in Mammoth are capable of helping you make the selection best suited to your needs and interests. Or stop by the Chamber of Commerce office, at the entrance to town, for some friendly advice.

Airline Week
April 21-26

The Mammoth Lakes Chamber of Commerce and the Mono County Chamber of Commerce is sponsoring an Airline Party again this spring! The party is scheduled for April 21-26. All airline personnel and their guests are invited to attend this gala packed full of many fun events.

The schedule includes a welcoming cocktail party on Sunday at the Village Inn saloon, wine party on the slopes Monday for lunch, Lift Night dinner Monday evening, all day race clinic on Tuesday for $6.00 with six persons per class, noon picnic, hot creek party, consistency race at 10:00 on Wednesday and a standard race at 1:00, Gold Rush Party Wednesday evening, dual slalom race at 10:00 on Thursday, and a banquet Thursday evening at Chairs 7&8.

Mammoth residents and visitors are invited to join in the fun of Airline Week by attending the Gold Rush Party. This annual affair is one of the most looked-forward to parties in Mammoth! Scheduled to be held on Wednesday, April 24. There will be a western band to entertain along with show girls and stunt men. A chuck wagon Barbeque will be served. The Casino will be open all night and many door prizes will be awarded. 1800's attire is in style for the evening (all firearms and ammunition will be checked at the door). Casino and gate receipts go to the Chamber of Commerce advertising fund.

Sierra Pacific Airlines offers an airline discount to personnel of airlines with which they have a reciprocal agreement. Also Mammoth Stage will be offering a discount on the local bus transportation.

For further information and reservations please contact the Mammoth Lakes Chamber of Commerce at (714) 934-2712 or write to P.O. Box 123, Mammoth Lakes, Ca. 93546.
